

# TAKE CONTROL *Prevent Serious Injuries and Fatalities* WHEN WORKING AROUND HIGHWALLS

## QUESTIONS FOR THE GROUP:

1. What work do we commonly do that has us working around highwalls?

---

---

---

---

---

---

---

---

2. What are our procedures around inspecting highwalls? How could our highwall inspections be improved?

---

---

---

---

---

---

---

---

3. What are signs of highwall instability?

---

---

---

---

---

---

---

---

**4.** Are there any locations on our site where we have noticed instability historically or we need to keep a particular eye on?

---

---

---

---

---

---

***INDIVIDUAL QUESTIONS:***

**1.** When do I work around highwalls?

---

---

---

---

---

---

**2.** What can I do to prevent highwall SIFs?

---

---

---

---

---

---

**3.** What training have I received? Is it adequate? Do I need refresher training?

---

---

---

---

---

---
