Saltillo, MS – Syntron Material Handling, is pleased to announce the promotion of Mr. Rob Drew to General Manager effective November 1, 2021.

For the past 5 years, Rob has served as the Vice-President and more recently as Sr. Vice-President of Operations of Syntron Material Handling. Rob has held numerous roles with world class companies such as Terex, Bombardier, and Motor Coach Industries. His duties have encompassed plant operations, continuous improvement, lean, manufacturing engineering and general management.

Rob earned his Mechanical Engineering Technology degree from Red River College, his graduate degree in Management and Executive MBA from Athabasca University.

Syntron Material Handling provides material handling solutions for conveying, feeding, elevating, vibratory flow aids and mining controls of bulk product. Syntron Material Handling is part of the Kadant Inc. group of companies.
